Seibel, J.

Before the Court is Plaintiff Leah Laskan's unopposed Motion to Sever and Substitute Counsel. (No. 13-CV-2816, Doc. 39.) Ms. Laskan, who was initially included as part of a group of plaintiffs represented by Lieff, Cabraser, Heimann & Bernstein, LLP now seeks to sever her claim and be represented by Capretz & Associates. Ms. Laskan's Motion is GRANTED, but she is instructed to re-file her Complaint so that she may be assigned a separate docket number. Because Ms Laskan was already a plaintiff in this action, the filing fee is hereby waived.

The remaining plaintiffs in No. 13-CV-2816 are also instructed to re-file their Amended Complaint so that it may be assigned a document number.
